

Private Label Option

Marketing your brand

We provide your organization with complete, custom labeled check conversion and gift & loyalty programs that you can market as your own.

Your brand is all your merchants and sales agents will need to know.

We can remain completely transparent.

Material That Can Be Private Labeled

- Merchant Applications
- Online Merchant Reporting
- Marketing Collateral
- Merchant Statements

Logo Specifications for Private Labeling

- High-resolution, **300 dpi** file. This is important for high quality logo placement.
- File should be minimum **155 pixels tall**. Horizontal format works best.
- Acceptable file types: JPEG, PNG, GIF, TIFF, BMP, PSD (PhotoShop document)
- Avoid small print in logo file as it will be hard to read in certain instances.

Customer Service & Technical Support

- We can handle all customer service and technical support for your merchants
- Support lines are answered generically so as to appear to be your company
